## Abstracts

According to Statistics MRC, the Global Decorative Laminates Market is accounted for \$6.99 billion in 2017 and is expected to reach \$10.22 billion by growing at a CAGR of 4.3% during the forecast period. Key factors driving the decorative laminates market include upcoming cultural and fashion trends in interior designing, increase in demand from the flooring industry, cabinets, and rise in demand from the rebounding housing markets. However, High cost of high pressure decorative laminates acts as a restraint to market growth.

Decorative laminates are laminated products used as furniture surface materials or wall panelling. They are commonly used as an overlay over wooden furniture. Decorative laminates are an essential part of interior surfacing solution. Use of decorative laminates on wooden furniture surface provides a unique and stylish look to furniture in residential and non-residential buildings. They enhance the lifespan of surfaces and give them an attractive finish.

Based on types covered, the general purpose segment is expected to lead the decorative laminates market during the forecast period. General purpose decorative laminates are known for their excellent properties such as impact resistance, ease of cleaning, hygiene, scratch resistance, and heat resistance. By Geography, North America is anticipated to account for significant share of the decorative laminates market during the forecast period.

Some of the key players profiled in the Decorative Laminates market include Abet Laminati S.P.A, Archidply Industries Ltd, Fletcher Building Limited, Fundermax GmbH, Greenlam Industries Ltd, Merino Group, Omnova Solutions Inc, Panolam Industries International, Inc, Stylam Industries Ltd, Wilsonart International Inc, Advanced

## What our report offers:

Market share assessments for the regional and country level segments

Strategic recommendations for the new entrants

Market forecasts for a minimum of 9 years of all the mentioned segments, sub segments and the regional markets

Market Trends (Drivers, Constraints, Opportunities, Threats, Challenges, Investment Opportunities, and recommendations)

Strategic analysis: Drivers and Constraints, Product/Technology Analysis, Porter's five forces analysis, SWOT analysis etc.

Strategic recommendations in key business segments based on the market estimations

Competitive landscaping mapping the key common trends

Company profiling with detailed strategies, financials, and recent developments

Supply chain trends mapping the latest technological advancements

## Free Customization Offerings:

All the customers of this report will be entitled to receive one of the following free customization options:

### Company Profiling

Comprehensive profiling of additional market players (up to 3)

SWOT Analysis of key players (up to 3)

### Regional Segmentation

Market estimations, Forecasts and CAGR of any prominent country as

per the clients interest (Note: Depends of feasibility check)

### Competitive Benchmarking

Benchmarking of key players based on product portfolio, geographical presence, and strategic alliances
