Abstracts

According to Statistics MRC, the Global Landscaping and Gardening Market is expected to grow at a CAGR of 7.1% during the forecast period. Factors such as introducing new in landscaping and gardening practices, rising number of multifamily properties across the world, the growth of organic gardening, growing demand for outdoor natural aesthetics are some key factors propelling the market growth. However, water scarcity owing to global warming and seasonal fluctuations in business are the factors hindering market growth.

Landscaping and Gardening services will transform the landscape visibility by enhancing the settings for buildings and public places in recreational areas and parks. This development keeps the surroundings healthy, fresh, secure and attractive. It also includes growing of plants, elevation of the landforms & terrain and weather conditions. They require expertise in horticulture, city planning and artistic design.

By End User, Residential segment held significant growth for Landscaping and Gardening market during the forecast period due to increasing construction of apartments and condominiums. North America held the largest market share in which US is leading in this region during the forecast period owing to water pertaining services and increase in the understanding of landscaping models from commercial to residential property owners.

Some of the key players in Global Landscaping and Gardening market are Yellowstone Landscape, Weed Man USA, U.S. Lawns, TruGreen, ScottsMiracle-Gro, Ruppert Landscape, MARINA, Main scape, Lawn Doctor, Gothic Landscape, F.A.
