## Abstracts

According to Statistics MRC, the Global Mobile Phone Cases and Covers market is accounted for \$XX million in 2016 and is expected to reach \$XX million by 2022 growing at a CAGR of XX% during the forecast period 2016 to 2022. In the present scenario the consumers had improved and increased the value of their mobile phones through the sufficient use of mobile accessories. The rapid proliferation of mobile phones in the urban areas for the connectedness with the digital world is been one of the prominent driver for the market.

North American market is estimated to sustain its prominence over the regional market on account of the vast usage of mobile phones with more digital connectedness present in this region. Asia Pacific market is estimated to follow the North American market due to rapid engulfment of technology across the people.

Some of the key players of the Mobile Phone Cases and Covers market include Griffin technology, Samsung Electronics, Moko and Company, Amzer, Inc. and Otterbox Company.
