Pages: 6

Price: US\$ 350.00 (Single User License)

ID: R24CE26C799EN

Abstracts

Against the background of global financial crisis, effects of economic recession spread through all industries. However, global drug market is little affected, and OTC market maintains sustained growth, especially that China's OTC market keeps rapid growth. In the new general environment of China's medical reform, China's OTC market will have a very hopeful prospect.
