About the German Data Centre Market

There are over 200 third-party Data Centre Faciliites in Germany, with close to 60% of the sapce located in the Frankfurt/Frankfurt am Main areas making it the city with highest amount of space in Europe. Other German cities too see development such as German cities, the largest include Munich, Berlin and Dusseldorf.

Overall, the German market remains the second largest Data Centre market in Europe behind the UK.

Despite the size of the market already, the expansion of the Frankfurt & Frankfurt Am Main region is set to continue with new plots of land acquired by Colt and Equinix for future Data Centre development - and with Interxion (Digital Realty) intending to develop multiple new Data Centre facilities on the former Neckermann logistics base from 2022 until 2028
