The key Data Centre Trends & Data Centre Outlook

About the Swiss Data Centre Market

There are close to seventy third-party Data Centre Facilities in the Swiss market.

There has been some consolidation among the smaller Data Centre Providers: In May 2021, a joint-venture called Atlas Edge was formed between Liberty Global & Digital Bridge incorporating around 100 colocation Data Centre facilities across Europe. In

November 2021 it was announced that Atlas Edge had acquired twelve (12) European colocation facilities from Colt Data Centre Services (DCS) including the Colt Zurich facility (now called AtlasEdge Zurich) with Digital Realty also becoming a strategic investor in AtlasEdge and in January 2021 Nectrics Group acquired the Biel Data Centre from DataHub.

New Swiss Data Centre raised floor space is forecast to grow by over 43% for the period from the beginning of 2022 to the beginning of 2026 with Data Centre Revenues seeing a growth of 49%.
