## **Abstracts**

According to “Canada Home Air Filters Market By Filter Type, Competition Forecast & Opportunities, 2013 – 2023”, Canada home air filters market is projected to grow at a CAGR of 7.75% by 2023, predominantly on the back of implementation of standards and guidelines pertaining to indoor air quality by the Government. Also, increasing per capita healthcare spending in the country due to growing awareness about respiratory disorders and allergies caused by air pollutants such as dust mites, pollen, etc., is anticipated to boost demand for home air filters over the coming years. Moreover, rising awareness regarding the regular replacement of air filters in air purifiers is expected to drive home air filters market in Canada through 2023. “Canada Home Air Filters Market By Filter Type, Competition Forecast & Opportunities, 2013 – 2023”, discusses the following aspects of home air filters market in Canada:

Home Air Filters Market Size, Share & Forecast

Segmental Analysis – By Filter Type (HEPA Home Air Filters, Activated Carbon Home Air Filters, Ion & Ozone Home Air Filters & Electrostatic Precipitator Home Air Filters)

Competitive Analysis

Changing Market Trends & Emerging Opportunities

## **WHY YOU SHOULD BUY THIS REPORT?**

To gain an in-depth understanding of home air filters market in Canada

To identify the on-going trends and anticipated growth in the next five years

To help industry consultants, home air filters manufacturers, distributors and other stakeholders align their market-centric strategies

To obtain research-based business decisions and add weight to presentations and marketing material

To gain competitive knowledge of leading market players

To avail 10% customization in the report without any extra charges and get the research data or trends added in the report as per the buyer's specific needs

## **REPORT METHODOLOGY**

The information contained in this report is based upon both primary and secondary research. Primary research included interaction with home air filters manufacturers, distributors and industry experts. Secondary research included an exhaustive search of relevant publications like company annual reports, financial reports and proprietary databases.
