Abstracts

According to “Global Bromo Trifluoro Propene Market By Application, By Region, Competition Forecast & Opportunities, 2012 – 2022”, Global Bromo Trifluoro Propene (BTFP) market is projected to reach nearly \$ 5.4 million by 2022. Growth is anticipated on account of increasing demand for BTFP in fire protection systems as an alternative to Halon 1211 and Halon 1311. Moreover, increasing investments and technological advancements in the research & development segment of industrial and pharmaceutical sectors is anticipated to boost demand for BTFP, globally, in the coming years. “Global Bromo Trifluoro Propene Market By Application, By Region, Competition Forecast & Opportunities, 2012 – 2022” discusses the following aspects of bromo trifluoro propene market globally:

Bromo Trifluoro Propene Market Size, Share & Forecast

Segmental Analysis – By Application (Pharmaceuticals, Fire Extinguishers & Flouro Silicone Polymers), By Region (Asia-Pacific, North America, Europe, South America & MEA)

Competitive Analysis

Changing Market Trends & Emerging Opportunities

Why You Should Buy This Report?

To gain an in-depth understanding of bromo trifluoro propene in global market

To identify the on-going trends and anticipated growth in the next five years

To help industry consultants, bromo trifluoro propene manufacturers, distributors and other stakeholders align their market-centric strategies

To obtain research based business decisions and add weight to presentations and marketing material

To gain competitive knowledge of leading market players

To avail 10% customization in the report without any extra charges and get the research data or trends added in the report as per the buyer's specific needs

Report Methodology

The information contained in this report is based upon both primary and secondary research. Primary research included interaction with bromo trifluoro propene manufacturers, distributors and industry experts. Secondary research included an exhaustive search of relevant publications like company annual reports, financial reports and proprietary databases.
