Abstracts

According to “Global Paints and Coatings Market By Technology, By Application, By Region, Competition Forecast & Opportunities, 2012–2022”, Global paints and coatings market is projected to surpass \$ 167 billion by 2022, predominantly on account of increasing infrastructure development and rising production of automobiles across the globe. Moreover, demand for paints & coatings is likely to further increase in the coming years due to anticipated growth in diverse end-use industries such as marine and white goods, globally. Some of the major players operating in global paints & coatings market include: PPG Industries, Akzo Nobel N.V., BASF Coatings, The Sherwin-Williams Company, RPM International Inc., Nippon Holdings, The Valspar Corporation, Axalta Coating Systems, Asian Paints Limited, and Kansai Nerolac Paints Limited. “Global Paints and Coatings Market By Technology, By Application, By Region, Competition Forecast & Opportunities, 2012–2022” discusses the following aspects of paints and coatings market globally:

Paints and Coatings Market Size, Share & Forecast

Segmental Analysis – By Technology (Water based & Solvent based), By Application (Architectural, Protective & Others), By Region (Asia-Pacific, Europe, North America, South America & MEA)

Competitive Analysis

Changing Market Trends & Emerging Opportunities

Why You Should Buy This Report?

To gain an in-depth understanding of paints and coatings in global market

To identify the on-going trends and anticipated growth in the next five years

To help industry consultants, paints and coatings manufacturers, distributors and other stakeholders align their market-centric strategies

To obtain research based business decisions and add weight to presentations and marketing material

To gain competitive knowledge of leading market players

To avail 10% customization in the report without any extra charges and get the research data or trends

added in the report as per the buyer's specific needs

Report Methodology

The information contained in this report is based upon both primary and secondary research. Primary research included interaction with paints and coatings manufacturers, distributors and industry experts. Secondary research included an exhaustive search of relevant publications like company annual reports, financial reports and proprietary databases.
