## **Abstracts**

UAE blood warmer devices market may flourish in the forecast period and register an impressive CAGR, during 2023-2027F, due to increasing demands for medical devices majorly rising from the end-use sectors. Increasing road accidents, and growing surgical approaches for various medical emergencies, coupled with increasing instances of chronic diseases, actively drive the growth of the UAE blood warmer devices market in the upcoming five years. Increasing investments in medical device imports along with support to the local manufacturers are also facilitating the growth of the UAE blood warmer devices market in the next five years.

### **Growing Instances Of Chronic Diseases Promises Market Growth**

Rising instances of chronic diseases among the population of the UAE are anticipated to drive the growth of the UAE blood warmer devices market in the upcoming five years. The population of the country is rising owing to the increasing birth rate, lower mortality rate, better healthcare services along with the increasing immigrant population in the country. The rise in the demands for better healthcare for all along with the increasing instances of diseases like cardiovascular diseases, brain diseases, kidney failure, etc. further aid the growing cases of surgical approaches as a treatment for the same that aids the growth of the UAE blood warmer devices market in the next five years.

In the year 2020, there were over 4000 new cases of cancer and the cases of breast cancer in the female population rapidly grew that surging the demand for the mastectomy leading to the growth in the number of surgeries and demand for blood bags to support those surgeries thereby aiding the growth of the UAE blood warmer devices market in the future five years. The increasing geriatric population is also one of the major factors. The geriatric population is highly susceptible to chronic diseases and infectious diseases thereby requiring blood transfusions thus substantiating the growth of the UAE blood warmer devices market in the forecast years through 2027.

### Government Aids & Investments In Healthcare Industry Supports Market Growth

The government of the United Arab Emirates is actively supporting the growth of the healthcare industry in the country. In the year 2019, 4.27% of the country's GDP was spent on healthcare services in the country. Also, the population in the country is highly investing in better healthcare & patient care services. Moreover, the government has various favorable schemes and tax incentives for the imports of technologically advanced medical devices since the research and development sector in the country lack resources and are itself underdevelopment, further leading to market growth. Investments in outpatient healthcare also aid in market growth. The growing construction of hospitals, clinics, and blood banks, along with the transfusion centers also substantiates the growth of the UAE blood warmer devices market in the forecast years. UAE outpatient healthcare expenditures in the year 2020 were USD 7.41 billion.

### Market Segmentation

The UAE blood warmer devices market is segmented by product, mobility, end user, competition landscape, and regional distribution. Based on product, the market is fragmented into intravenous warming systems, surface warming systems, and patient warming accessories. Mobility, the market is differentiated between, stationary and mobile. Based on end users, the market is bifurcated into hospitals & clinics, blood banks, transfusion centers, and others. The market analysis also studies the regional segmentation to devise regional market segmentation, divided among Dubai, Sharjah, Abu Dhabi, and the rest of UAE.

### Company Profile

Atlas Medical, LLC, 3M Medical UAE, Smith's Medical International Ltd., Stryker ESCS BV, Becton, Dickinson, and Company, among others, is a partial list of major market players of the companies responsible for the growth of UAE Blood warmer devices

market.

Report Scope:

In this report, UAE Blood warmer devices market has been segmented into the following categories, in addition to the industry trends which have also been detailed below:

UAE Blood Warmer Devices Market, By Product:

Intravenous Warming System

Surface Warming System

Patient Warming Accessories

UAE Blood Warmer Devices Market, By Mobility:

Stationary

Mobile

UAE Blood Warmer Devices Market, By End User:

Hospitals & Clinics

Blood Banks

Transfusion Center

Others

UAE Blood Warmer Devices Market, By Region:

Dubai

Sharjah

Abu Dhabi

## Rest of UAE

### Competitive Landscape

Company Profiles: Detailed analysis of the major companies present in UAE Blood warmer devices market.

### Available Customizations:

With the given market data, TechSci Research offers customizations according to a company's specific needs. The following customization options are available for the report:

### Company Information

Detailed analysis and profiling of additional market players (up to five).

## Contents

### 1. PRODUCT OVERVIEW

### 2. RESEARCH METHODOLOGY

### 3. IMPACT OF COVID-19 ON UAE BLOOD WARMER DEVICES MARKET

### 4. EXECUTIVE SUMMARY

### 5. VOICE OF CUSTOMER

### 6. UAE BLOOD WARMER DEVICES MARKET OUTLOOK

#### 6.1. Market Size & Forecast

##### 6.1.1. By Value

#### 6.2. Market Share & Forecast

##### 6.2.1. By Product (Intravenous Warming System, Surface Warming System, Patient Warming Accessories)

##### 6.2.2. By Mobility (Stationary v/s Mobile)

##### 6.2.3. By End User (Hospitals & Clinics, Blood Banks, Transfusion Center, Others)

##### 6.2.4. By Region

##### 6.2.5. By Company (2021)

#### 6.3. Product Market Map

### 7. UAE STATIONARY BLOOD WARMER DEVICES MARKET OUTLOOK

#### 7.1. Market Size & Forecast

##### 7.1.1. By Value

#### 7.2. Market Share & Forecast

##### 7.2.1. By Product

##### 7.2.2. By End User

### 8. UAE MOBILE BLOOD WARMER DEVICES MARKET OUTLOOK

#### 8.1. Market Size & Forecast

##### 8.1.1. By Value

#### 8.2. Market Share & Forecast

##### 8.2.1. By Product

8.2.2. By End User

## **9. MARKET DYNAMICS**

9.1. Drivers

9.2. Challenges

## **10. MARKET TRENDS & DEVELOPMENTS**

## **11. POLICY & REGULATORY LANDSCAPE**

## **12. UAE ECONOMIC PROFILE**

## **13. COMPETITIVE LANDSCAPE**

13.1. Atlas Medical, LLC

13.2. 3M Medical UAE

13.3. Smith's Medical International Ltd

13.4. Stryker ESCS BV

13.5. Becton, Dickinson, and Company

## **14. STRATEGIC RECOMMENDATIONS**

## I would like to order

Product name: UAE Blood Warmer Devices Market, By Product (Intravenous Warming System, Surface Warming System, Patient Warming Accessories), By Mobility (Stationary v/s Mobile), By End User (Hospitals & Clinics, Blood Banks, Transfusion Center, Others), By Region, Competition Forecast & Opportunities, 2027

Product link: <https://marketpublishers.com/r/U504A9CCC24BEN.html>

Price: US\$ 4,400.00 (Single User License / Electronic Delivery)
