Abstracts

This latest edition in our flagship series of reports contains statistical data, information and insight into the textile and apparel industries in Bangladesh, India, Pakistan and Sri Lanka. It includes detailed information by product category on: production of textiles and clothing, textile and clothing imports by supplying country, and textile and clothing exports by destination country. It also provides analysis of developments in the South Asia region and government measures relating to the textile and apparel industries in the countries featured. The report presents a wealth of information and is invaluable for anyone who is considering sourcing from, or selling to, these countries.
