Abstracts

This latest edition in our flagship series of reports contains statistical data, information and insight into the textile and apparel industries in Bangladesh, India, Pakistan and Sri Lanka. In particular, it includes detailed information on textile and clothing production by country and it highlights the fastest growing markets for textile and clothing exports from each country by product category. Also, it provides analyses of developments in the South Asia region and government measures and policies relating to the textile and apparel industries in the countries featured. The report presents a wealth of information and is invaluable for anyone who is considering investing in, sourcing from, or selling to these countries.
