## **Abstracts**

This latest report in our flagship series contains 37 pages of statistical data, information and insight into the textile and apparel industries in Cambodia, Indonesia, Malaysia, the Philippines, Thailand and Vietnam. The report includes information on: clothing retail sales; exports by destination; imports; and production. It also provides analysis of developments in the South-East Asia region and government measures relating to the countries featured. The report presents a wealth of information and is essential for anyone who is considering sourcing from, selling to or investing in these countries.
