Abstracts

The Algeria glass tableware market size is projected to grow from US\$ 43.53 million in 2023 to US\$ 56.37 million by 2031. The market is expected to record a CAGR of 3.3% from 2023 to 2031.

Sustainability and environmental consciousness are becoming important part in consumer decision-making worldwide, including in Algeria. These factors are increasingly influencing the glass tableware market as both consumers and manufacturers prioritize eco-friendly practices and products. Algerian consumers are becoming more aware of the environmental impact of their purchases, and this awareness is driven by global environmental movements and local education on sustainability issues. As a part of the global community, Algeria is influenced by international sustainability trends and standards. Consumers and businesses in Algeria are increasingly aligning their practices with these global standards.

Sustainable and eco-friendly products are gaining momentum in the Algeria glass tableware market. Consumers are increasingly seeking recyclable, durable, and sustainably produced glass tableware. Manufacturers and retailers who integrate environmentally friendly practices, such as reducing waste and using renewable resources, and who align their business strategies with sustainability principles are

poised to thrive in this continuously evolving market. In line with this, Algeria's National Action Plan for Sustainable Consumption and Production has identified progress tracks for the 2016–2030 National Action Plan for Consumption and Sustainable Production. Consolidated into three axes, i.e., governance, energy transition, and waste management, these tracks aim to address central Algerian issues and focus on areas of improvement. Hence, the sustainable and ecofriendly product is expected to be the trend in the Algeria glass tableware market.

??

Based on distribution channel, the Algeria glass tableware market is segmented into food supermarkets & hypermarkets, specialty stores, online retail, and convenience store. The specialty stores segment holds a significant market share in 2023, while online retail is expected to register the highest CAGR in the forecast period. Consumers' buying preference is drastically changing with rising internet penetration across the country. The ease of online transactions and reliable delivery services make online purchases of glass tableware convenient and efficient.

NOVER, Libbey, FORTESSA TABLEWARE SOLUTIONS, LLC, Lifetime Brands, Inc., Frederic Derbaudrenghien, Godinger Silver Art, Co., Red Pomegranate, Bormioli Luigi SpA, Anchor Hocking Group, Inc, Borosil Limited are among the key players operating in the Algeria glass tableware market.

The overall Algeria glass tableware market size has been derived using primary and secondary sources. To begin the research process, exhaustive secondary research has been conducted using internal and external sources to obtain qualitative and quantitative information related to the market.
