Abstracts

This market research report examines the foreign trade of Austria and its perspectives on the global market for lithium carbonates.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on lithium carbonates export/import operations in Austria. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Austria behaves on the global market for lithium carbonates. It also assesses the dynamics of country's foreign trade in lithium carbonates in 2013-2023. The report indicates major suppliers and consumers of lithium carbonates in Austria. The final chapter provides in-depth analysis of prospects for the country's foreign trade in lithium carbonates, as well the forecast for the development of the market for lithium carbonates up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for lithium carbonates.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
