This market research report examines the foreign trade of Austria and its perspectives on the global market for sodium.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on sodium export/import operations in Austria. The 2005-2015 period is covered, with more emphasis on foreign trade in 2015.

The report studies how Austria behaves on the global market for sodium. It also assesses the dynamics of country's foreign trade in sodium in 2005-2015. The report indicates major suppliers and consumers of sodium in Austria. The final chapter provides in-depth analysis of prospects for the country's foreign trade in sodium, as well the forecast for the development of the market for sodium up to 2020. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for sodium.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
