Abstracts

This market research report examines the foreign trade of Azerbaijan and its perspectives on the global market for pumice stone, emery and other natural abrasives.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on pumice stone, emery and other natural abrasives export/import operations in Azerbaijan. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Azerbaijan behaves on the global market for pumice stone, emery and other natural abrasives. It also assesses the dynamics of country's foreign trade in pumice stone, emery and other natural abrasives in 2013-2023. The report indicates major suppliers and consumers of pumice stone, emery and other natural abrasives in Azerbaijan. The final chapter provides in-depth analysis of prospects for the country's foreign trade in pumice stone, emery and other natural abrasives, as well the forecast for the development of the market for pumice stone, emery and other natural abrasives up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for pumice stone, emery and other natural abrasives.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.

Contents
