Abstracts

This market research report examines the foreign trade of Czech Republic and its perspectives on the global market for asbestos.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on asbestos export/import operations in Czech Republic. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Czech Republic behaves on the global market for asbestos. It also assesses the dynamics of country's foreign trade in asbestos in 2013-2023. The report indicates major suppliers and consumers of asbestos in Czech Republic. The final chapter provides in-depth analysis of prospects for the country's foreign trade in asbestos, as well the forecast for the development of the market for asbestos up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for asbestos.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
