## Abstracts

This market research report examines the foreign trade of Denmark and its perspectives on the global market for binoculars.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on binoculars export/import operations in Denmark. The 2011-2021 period is covered, with more emphasis on foreign trade in 2021.

The report studies how Denmark behaves on the global market for binoculars. It also assesses the dynamics of country's foreign trade in binoculars in 2011-2021. The report indicates major suppliers and consumers of binoculars in Denmark. The final chapter provides in-depth analysis of prospects for the country's foreign trade in binoculars, as well the forecast for the development of the market for binoculars up to 2026. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for binoculars.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
