## Abstracts

This market research report examines the foreign trade of Hungary and its perspectives on the global market for antimony oxides.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on antimony oxides export/import operations in Hungary. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Hungary behaves on the global market for antimony oxides. It also assesses the dynamics of country's foreign trade in antimony oxides in 2013-2023. The report indicates major suppliers and consumers of antimony oxides in Hungary. The final chapter provides in-depth analysis of prospects for the country's foreign trade in antimony oxides, as well the forecast for the development of the market for antimony oxides up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for antimony oxides.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
