## Abstracts

This market research report examines the foreign trade of Israel and its perspectives on the global market for chalk.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on chalk export/import operations in Israel. The 2011-2021 period is covered, with more emphasis on foreign trade in 2021.

The report studies how Israel behaves on the global market for chalk. It also assesses the dynamics of country's foreign trade in chalk in 2011-2021. The report indicates major suppliers and consumers of chalk in Israel. The final chapter provides in-depth analysis of prospects for the country's foreign trade in chalk, as well the forecast for the development of the market for chalk up to 2026. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for chalk.
