Abstracts

This market research report examines the foreign trade of Japan and its perspectives on the global market for ball point pens.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on ball point pens export/import operations in Japan. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Japan behaves on the global market for ball point pens. It also assesses the dynamics of country's foreign trade in ball point pens in 2013-2023. The report indicates major suppliers and consumers of ball point pens in Japan. The final chapter provides in-depth analysis of prospects for the country's foreign trade in ball point pens, as well the forecast for the development of the market for ball point pens up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for ball point pens.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
