## Abstracts

This market research report examines the foreign trade of Latvia and its perspectives on the global market for titanium oxides.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on titanium oxides export/import operations in Latvia. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Latvia behaves on the global market for titanium oxides. It also assesses the dynamics of country's foreign trade in titanium oxides in 2013-2023. The report indicates major suppliers and consumers of titanium oxides in Latvia. The final chapter provides in-depth analysis of prospects for the country's foreign trade in titanium oxides, as well the forecast for the development of the market for titanium oxides up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for titanium oxides.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
