This market research report examines the foreign trade of Portugal and its perspectives on the global market for storage units.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on storage units export/import operations in Portugal. The 2005-2015 period is covered, with more emphasis on foreign trade in 2015.

The report studies how Portugal behaves on the global market for storage units. It also assesses the dynamics of country's foreign trade in storage units in 2005-2015. The report indicates major suppliers and consumers of storage units in Portugal. The final chapter provides in-depth analysis of prospects for the country's foreign trade in storage units, as well the forecast for the development of the market for storage units up to 2020. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for storage units.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
