Abstracts

This market research report examines the foreign trade of Qatar and its perspectives on the global market for molybdates.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on molybdates export/import operations in Qatar. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how Qatar behaves on the global market for molybdates. It also assesses the dynamics of country's foreign trade in molybdates in 2013-2023. The report indicates major suppliers and consumers of molybdates in Qatar. The final chapter provides in-depth analysis of prospects for the country's foreign trade in molybdates, as well the forecast for the development of the market for molybdates up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for molybdates.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
