Abstracts

This market research report examines the foreign trade of Qatar and its perspectives on the global market for salt.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on salt export/import operations in Qatar. The 2011-2021 period is covered, with more emphasis on foreign trade in 2021.

The report studies how Qatar behaves on the global market for salt. It also assesses the dynamics of country's foreign trade in salt in 2011-2021. The report indicates major suppliers and consumers of salt in Qatar. The final chapter provides in-depth analysis of prospects for the country's foreign trade in salt, as well the forecast for the development of the market for salt up to 2026. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for salt.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
