## Abstracts

This market research report examines the foreign trade of South Africa and its perspectives on the global market for calcium carbonate.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on calcium carbonate export/import operations in South Africa. The 2009-2019 period is covered, with more emphasis on foreign trade in 2019.

The report studies how South Africa behaves on the global market for calcium carbonate. It also assesses the dynamics of country's foreign trade in calcium carbonate in 2009-2019. The report indicates major suppliers and consumers of calcium carbonate in South Africa. The final chapter provides in-depth analysis of prospects for the country's foreign trade in calcium carbonate, as well the forecast for the development of the market for calcium carbonate up to 2024. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for calcium carbonate.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
