Abstracts

This market research report examines the foreign trade of South Africa and its perspectives on the global market for fishing rods.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on fishing rods export/import operations in South Africa. The 2013-2023 period is covered, with more emphasis on foreign trade in 2023.

The report studies how South Africa behaves on the global market for fishing rods. It also assesses the dynamics of country's foreign trade in fishing rods in 2013-2023. The report indicates major suppliers and consumers of fishing rods in South Africa. The final chapter provides in-depth analysis of prospects for the country's foreign trade in fishing rods, as well the forecast for the development of the market for fishing rods up to 2028. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for fishing rods.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
