This market research report examines the foreign trade of Ukraine and its perspectives on the global market for plasters.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on plasters export/import operations in Ukraine. The 2006-2016 period is covered, with more emphasis on foreign trade in 2016.

The report studies how Ukraine behaves on the global market for plasters. It also assesses the dynamics of country's foreign trade in plasters in 2006-2016. The report indicates major suppliers and consumers of plasters in Ukraine. The final chapter provides in-depth analysis of prospects for the country's foreign trade in plasters, as well the forecast for the development of the market for plasters up to 2021. Such parameters as trade value (\$) and net weight (kg) are used in the analysis. We present average price forecast for plasters.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
