Pages:	90
Price:	US\$ 820.00
ID:	IA4982F77B7EN

This report examines international trade and worldwide market trends pertaining to epinephrine. The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on epinephrine export/import operations segmented by country and region. The report covers the 2011-2016 period, with more emphasis on foreign trade in 2016.

The report provides the following analytical materials on the epinephrine: general description, international trade dynamics (2011-2016), exports/imports (2016) broken down by country, major suppliers and consumers, average price. The report also contains world market development forecast for 2017-2021.

International trade operations in more than 125 countries are highlighted through 150 tables and diagrams.

Table of Content
