Abstracts

This report examines international trade and worldwide market trends pertaining to cardamoms. The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on cardamoms export/import operations segmented by country and region. The report covers the 2016-2021 period, with more emphasis on foreign trade in 2021.

The report provides the following analytical materials on the cardamoms: general description, international trade dynamics (2016-2021), exports/imports (2021) broken down by country, major suppliers and consumers, average price. The report also contains world market development forecast for 2022-2026.
