Abstracts

This report examines international trade and worldwide market trends pertaining to silver (including silver plated with gold or platinum). The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on silver (including silver plated with gold or platinum) export/import operations segmented by country and region. The report covers the 2016-2021 period, with more emphasis on foreign trade in 2021.

The report provides the following analytical materials on the silver (including silver plated with gold or platinum): general description, international trade dynamics (2016-2021), exports/imports (2021) broken down by country, major suppliers and consumers, average price. The report also contains world market development forecast for 2022-2026.
