Abstracts

The HRI (Hotel Restaurants and Institutional) market report analyses companies, market size outlook across types, applications, countries along with competitive strategies, trends, drivers, opportunities and market developments. The base year for the study is 2020 and the forecast period is from 2021 to 2028.

The global HRI (Hotel Restaurants and Institutional) market is poised to register optimistic growth rates throughout 2021 and 2022 as positive momentum builds in the world economy, though some differences remain among geographies. The pace of change will accelerate in the HRI (Hotel Restaurants and Institutional) industry and companies quickly re-aligning their strategies will emerge stronger from the unprecedented changes. However, the COVID-19 pandemic remains a major threat for most HRI (Hotel Restaurants and Institutional) market outlook in addition to concerns of inflation, supply-chain disruptions, and weak consumer demand.

Global HRI (Hotel Restaurants and Institutional) Market%li%Post COVID-19 Recovery Scenarios and Impact Analysis

The COVID-19 pandemic had a significant impact on the regional and country-level HRI (Hotel Restaurants and Institutional) markets worldwide. The report presents three outlook scenarios for the global HRI (Hotel Restaurants and Institutional) market size for 2021 and 2022.

Low Growth: Economic recovery will be slow, supply-chain disruptions continue to pose challenges, and consumer demand remains weak.

Medium Growth: Economic recovery will be fast, supply-chain disruptions continue, and consumer demand recovers moderately.

High Growth: Rapid economic recovery, supply-chain disruptions handled, and consumer demand will be strong

The outlook for economic progress across most countries is optimistic for 2021. Assuming localized recurrences of the Coronavirus, economic growth accelerates in the second half of 2021, and consumption returning to pre-pandemic levels in 2021, Chinese real GDP growth is estimated at 7.9% and 8.4% in 2021 and 2022 respectively. Similarly, the US is likely to register 4% growth in 2021 and 3% in 2022 while the European real GDP growth is estimated at 2.7% for 2021 and 5.1% for 2022.

HRI (Hotel Restaurants and Institutional) Market Driving Factors, Restraints, and Opportunities

The global HRI (Hotel Restaurants and Institutional) market has significant market potential and offers diverse opportunities across countries. Strategic and financial investors are racing to capture the strong potential in the industry. In this report, we examine the main HRI (Hotel Restaurants and Institutional) trends that will likely influence the future of HRI (Hotel Restaurants and Institutional) markets. The HRI (Hotel Restaurants and Institutional) report also identifies promising investment opportunities and offers a view of how players might successfully pursue them. The pandemic led to a widening divide between rural and urban communities, and companies must overcome challenges in the HRI (Hotel Restaurants and Institutional) industry. Acting with determination and speed is one of the critical success factors in the near to medium future. Detailed analyses of challenges faced by HRI (Hotel Restaurants and Institutional) companies operating in the market are included in the report.

HRI (Hotel Restaurants and Institutional) Market Segmentation Analysis and Outlook

The report scope encompasses major HRI (Hotel Restaurants and Institutional) types and major HRI (Hotel Restaurants and Institutional) applications worldwide and presents a detailed analysis and outlook of each specific HRI (Hotel Restaurants and Institutional) type and application. Forecasts of individual types and applications are

provided at the global level and also analyzed for North America, Europe, Asia Pacific, Latin America, Middle East, and Africa. In each region, the largest and fastest-growing market types and applications are analyzed. The base year is 2020 and the forecast period is from 2021 to 2028 for all segments.

Geographic Analysis: Asia Pacific countries are among the fastest-growing markets globally

We hold an optimistic outlook for both the consumption and market size outlook for Asia Pacific countries. With most countries in the Asia Pacific witnessing their currencies appreciate against the US dollar over 2021, the short-term outlook remains robust across markets. Further, over the long run, driven by attractive demographics profile in the Asia Pacific and an increasing number of middle-to-upper income households, countries in the Asia Pacific HRI (Hotel Restaurants and Institutional) market will register a strong growth outlook throughout the forecast period. Consumers are also quickly re-prioritizing their spending away from essentials, which will support the HRI (Hotel Restaurants and Institutional) market growth in the Asia Pacific.

In addition to the Asia Pacific, the report also analyzes the short-term and long-term outlook of North America HRI (Hotel Restaurants and Institutional) market, Europe HRI (Hotel Restaurants and Institutional) market, Latin America HRI (Hotel Restaurants and Institutional) market, Middle East, and Africa HRI (Hotel Restaurants and Institutional) markets. Countries covered in the scope of the HRI (Hotel Restaurants and Institutional) study include United States, Canada, Mexico, Brazil, Argentina, Germany, United Kingdom, France, Spain, Italy, China, India, Japan, South Korea, Middle East, Africa, and others.

Competitive Landscape: HRI (Hotel Restaurants and Institutional) Market Companies

The global HRI (Hotel Restaurants and Institutional) market is facing intense competitive conditions as more companies continue to target specific customer bases. The recovery from the pandemic is not uniquely spread across geographies and accordingly, most companies are opting for focused strategies to localized market conditions since the start of the pandemic. For instance, the majority of European consumers continue to emphasize seeking brands with strong purpose and good values while there has been a fundamental shift from essential goods in some Asia Pacific markets. The report analyses five leading HRI (Hotel Restaurants and Institutional) companies including their business operations, SWOT Analysis, and financial profile.
