## **Abstracts**

### **Cannabis Drinks Market Outlook**

The global Cannabis Drinks market is expected to register a growth rate of 20.9% during the forecast period from \$1.6 Billion in 2024 to \$7.3 Billion in 2032. The Cannabis Drinks market is a thriving business that is poised to keep growing and presents potential growth opportunities for companies across the industry value chain.

The comprehensive market research report presents 12-year historic and forecast data on Cannabis Drinks segments across 22 countries from 2021 to 2032. Key segments in the report include By Type (Cannabis Infused Wine, Cannabis-Infused Beer, Cannabis Infused Water, Cannabis Infused Coffee, Cannabis Infused Tea, Cannabis Infused Juice, Others), Flavor (UnFlavored, Fruit, Apple Cider, Black Tea, Cappuccino, Caramel), Component (Tetrahydrocannabinol (THC) Infused Drinks, Cannabidiol (CBD)

Infused Drinks, Others), Distribution Channel (Supermarkets and Hypermarkets, Convenience stores, Specialty stores, Online). Over 70 tables and charts showcase findings from our latest survey report on Cannabis Drinks markets.

## Cannabis Drinks Market Insights, 2025

The Cannabis Drinks Market in 2025 is diversifying rapidly as manufacturers innovate with a broad portfolio of THC and CBD-infused beverages that address evolving consumer lifestyles and wellness trends. The market includes functional beverages, relaxation-focused drinks, and low-dose microdosed options aimed at enhancing mood, focus, and recovery. Technological improvements in nanoemulsion and encapsulation enhance rapid onset and consistent dosing, key factors in consumer satisfaction. Retail penetration is growing beyond traditional dispensaries into mainstream grocery and convenience outlets, supported by expanded legalization and effective marketing strategies. The intersection of beverage innovation and cannabis legalization creates a dynamic environment for new product launches and brand differentiation.

## Five Trends that will define global Cannabis Drinks market in 2025 and Beyond

A closer look at the multi-million global market for Cannabis Drinks identifies rapidly shifting consumer preferences across categories. By focusing on growth and resilience, leading Cannabis Drinks companies are prioritizing their investments across categories, markets, and geographies. The report analyses the most important market trends shaping the new landscape to support better decisions for the long and short-term future.

## What are the biggest opportunities for growth in the Cannabis Drinks industry?

The Cannabis Drinks sector demonstrated remarkable resilience over the past year across developed and developing economies. Further, the market presents significant opportunities to leverage the existing momentum towards actions by 2030. On the other hand, recent macroeconomic developments including rising inflation and supply chain disruptions are putting pressure on companies. The chapter assists users to identify growth avenues and address business challenges to make informed commercial decisions with unique insights, data forecasts, and in-depth market analyses.

## Cannabis Drinks Market Segment Insights

The Cannabis Drinks industry presents strong offers across categories. The analytical

report offers forecasts of Cannabis Drinks industry performance across segments and countries. Key segments in the industry include By Type (Cannabis Infused Wine, Cannabis-Infused Beer, Cannabis Infused Water, Cannabis Infused Coffee, Cannabis Infused Tea, Cannabis Infused Juice, Others), Flavor (UnFlavored, Fruit, Apple Cider, Black Tea, Cappuccino, Caramel), Component (Tetrahydrocannabinol (THC) Infused Drinks, Cannabidiol (CBD) Infused Drinks, Others), Distribution Channel (Supermarkets and Hypermarkets, Convenience stores, Specialty stores, Online). The largest types, applications, and sales channels, fastest growing segments, and the key factors driving each of the categories are included in the report.

Forecasts of each segment across five regions are provided from 2021 through 2032 for Asia Pacific, North America, Europe, South America, Middle East, and African regions. In addition, Cannabis Drinks market size outlook is provided for 22 countries across these regions.

### Market Value Chain

The chapter identifies potential companies and their operations across the global Cannabis Drinks industry ecosystem. It assists decision-makers in evaluating global Cannabis Drinks market fundamentals, market dynamics, and disruptive trends across the value chain segments.

### Scenario Analysis and Forecasts

Strategic decision-making in the Cannabis Drinks industry is multi-faceted with the increased need for planning across scenarios. The report provides forecasts across three case scenarios low growth, reference case, and high growth cases.

### Asia Pacific Cannabis Drinks Market Analysis A Promising Growth Arena for Business Expansion

As companies increasingly expand across promising Asia Pacific markets with a combined population of over 4.5 billion, the medium-to-long-term future remains robust. The presence of the fastest-growing economies such as China, India, Thailand, Indonesia, and Vietnam coupled with strengthening middle-class populations and rising disposable incomes drive the market. In particular, China and India are witnessing rapid shifts in consumer purchasing behavior. China is recovering steadily with optimistic forecasts for 2025. Further, Japanese and South Korean markets remain stable with most companies focusing on new product launches and diversification of sales

channels.

## The State of Europe Cannabis Drinks Industry 2025 Focus on Accelerating Competitiveness

As companies opt for an integrated agenda for competitiveness, the year 2025 presents optimistic scenarios for companies across the ecosystem. With signs of economic recovery across markets, companies are increasing their investments. Europe is one of the largest markets for Cannabis Drinks with demand from both Western Europe and Eastern European regions increasing over the medium to long-term future. Increasing omnichannel shopping amidst robust consumer demand for value purchases shapes the market outlook. The report analyses the key Cannabis Drinks market drivers and opportunities across Germany, France, the United Kingdom, Spain, Italy, Russia, and other Europe.

The US Cannabis Drinks market Insights Executives are most excited about opportunities for the US Cannabis Drinks industry.

Easing inflation coupled with strengthening consumer sentiment is encouraging aggressive actions from the US Cannabis Drinks companies. Market players consistently focusing on innovation and pursuing new ways to create value are set to excel in 2025. In addition, the Canadian and Mexican markets offer lucrative growth pockets for manufacturers and vendors. Focus on private-brand offerings and promotions, diversified sales channels, expansion into niche segments, adoption of advanced technologies, and sustainability are widely observed across the North American Cannabis Drinks market.

Latin American Cannabis Drinks market outlook rebounds in line with economic growth.

Underlying demand remains higher among urban consumers with an optimistic economic outlook across Brazil, Argentina, Chile, and other South and Central American countries. Increased consumer spending has been reported since H2-2024 and the prospects remain strong for 2025. Aggressive ecosystem moves to create new sources of income are widely observed across markets in the region. Marketing activities focused on customer insights, operations, and support functions are quickly gaining business growth in the region.

## Middle East and Africa Cannabis Drinks Markets New Opportunities for Companies Harnessing Diversity

Rapid growth in burgeoning urban locations coupled with a young and fast-growing population base is attracting new investments in the Middle East and African Cannabis Drinks markets. Designing expansion and marketing strategies to cater to the local consumer base supports the market prospects. In addition to Nigeria, Algeria, South Africa, and other markets, steady growth markets in Ethiopia, Rwanda, Ghana, Tanzania, the Democratic Republic of Congo, and others present significant prospects for companies. On the other hand, Middle Eastern Cannabis Drinks markets including the UAE, Saudi Arabia, Qatar, and Oman continue to offer lucrative pockets of growth.

### Competitive Landscape How Cannabis Drinks companies outcompete in 2025?

The ability to respond quickly to evolving consumer preferences and adapt businesses to niche consumer segments remains a key growth factor. The report identifies the leading companies in the industry and provides their revenue for 2024. The market shares of each company are also included in the report. Further, business profiles, SWOT analysis, and financial analysis of each company are provided in detail. Key companies analyzed in the report include Artet, Inc., Can Brands Inc., Phivida Holdings Inc., The Alkaline Water Company Inc., VCC Brands Inc., Koios Beverage Corporation, Keef Brands LLC, Dixie Brands Inc., Aphria Inc., Hexo Corp, Canopy Growth Corporation.
