Abstracts

Key insights from the Global Agribusiness Market-

The Global Agribusiness market is valued at \$3.5 trillion in 2020

Cereals and Grains is the largest Application for Agribusiness

North America is the largest market for Agribusiness

The \$3.5 trillion Agribusiness industry presents strong investment and growth opportunities over the near to long term outlook period. The 2020 edition of the market report presents a comprehensive analysis of the global Agribusiness market from 2020 to 2028. The Agribusiness market research report presents detailed Agribusiness market analysis, and forecasts to 2028. Detailed insights into global and regional Agribusiness market statistics, Agribusiness companies and growth prospects across verticals are included.

Agribusiness Market Overview and Developments in 2020

The report presents a snapshot of recent market trends in the Agribusiness industry. Further, potential market drivers, major challenges, opportunities, major developments, competitive strategies, porter's five forces analysis, and other analysis are included in the research.

Impact of COVID-19 on Global Agribusiness market revenue

The worldwide crisis of COVID-19 is leading to calls for action from a wide range of stakeholders including manufacturers, vendors, distributors, and consumers. Decline in business for at least three months during 2020 coupled with lower demand from a few major markets has put pressure on the profitability of Agribusiness manufacturers and vendors. However, we expect the negative impact of COVID-19 on Agribusiness to be compensated over the medium to long term future.

Agribusiness Market Size and Outlook by Application to 2028

This chapter presents an insight into different Agribusiness types and their contribution to global market growth. The growth in global Agribusiness market size is forecast to continue despite the economic challenges. The report forecasts the Agribusiness market revenue across different Applications, which include- Cereals and Grains, Oilseeds, Dairy, Livestock, and others. Of these, Cereals and Grains dominate the global Agribusiness market.

Global Agribusiness Company Profiles

The report presents business profiles of major companies operating in the industry including Bayer Corp, Cargill Inc, Dow DuPont, Syngenta, and Nestl?.

The business overview, SWOT profile and product information are provided for all the companies.

The report identifies that the development of new applications and product portfolio is one of the key strategies to overcome identified challenges and for supporting continued growth. Manufacturing companies can also benefit from rising domestic demand in chemical end-use sectors. The majority of the companies are realigning their strategies to orient their business operations to changing market volatility, regulatory policy changes, geopolitical issues, changing end-user preferences, and others.
