### **IRC Software Market Insights, 2025**

The IRC Software Market is witnessing niche growth as tech communities, open-source developers, and businesses use IRC for real-time communication. Platforms like mIRC, HexChat, and The Lounge provide low-bandwidth, text-based chat solutions for private and public messaging. While IRC remains popular in developer communities, cybersecurity teams, and academic research, the rise of modern collaboration tools like Slack and Discord has reduced mainstream adoption. However, its lightweight nature,

encryption capabilities, and decentralized chat hosting ensure continued usage among niche user bases.
