Future Meetings, Incentives, Conventions and Exhibitions (MICE) Growth Outlook and Opportunities

The chapter provides a detailed analysis of market size, growth rate, revenue trends, and volume analysis over the historical period from 2018 up to 2022. Projection of the future growth prospects and opportunities in the Meetings, Incentives, Conventions and Exhibitions (MICE) industry along with insights into each of the potential market segments is included in the study. Further, the evaluation of factors driving market growth across markets is provided. In addition, the latest technological advancements and an analysis of the impact of these advancements on the performance, reliability, and efficiency of products are included.

Market Dynamics- Impact Analysis and Post-COVID Outlook of Meetings, Incentives, Conventions and Exhibitions (MICE) Industry

Optimistic economic conditions are observed in H2-2023 across multiple scenarios. The current edition of the Meetings, Incentives, Conventions and Exhibitions (MICE) Market Study identifies brighter views for 2023 and an increasingly optimistic global outlook over the forecast period.

However, the market is also constrained by challenges of geopolitical instability and conflicts with the Russia-Ukraine war and inflation conditions in the US and other markets, and rising interest rates continue to restrain the market growth prospects.

The four case scenarios considered for countries in the study are -

- Sluggish economic growth, with emphasis on savings and low expenditure

- Despite growth fluctuations, consumer confidence remains robust and gains continue for companies

- Investments in technology deployment and productive investments

- Stronger consumer demand and higher investments supporting solid growth

Meetings, Incentives, Conventions and Exhibitions (MICE) Market Trends- Emerging markets present strong growth prospects

According to the World Bank, over 85% of the world's population lives in the Asia Pacific, the Middle East and Africa (MEA), or South America. An increasing volume of companies are expanding their production and marketing bases to these countries as the consumption power of individuals continues to strengthen.

Several new market entrants are targeting niche economically attractive Meetings, Incentives, Conventions and Exhibitions (MICE) segments when expanding into these markets. We anticipate the Meetings, Incentives, Conventions and Exhibitions (MICE) sales growth in developing countries to continue to accelerate rapidly over the forecast period.

North America Meetings, Incentives, Conventions and Exhibitions (MICE) Industry: Market Trends, Share, Size, Growth, Opportunity and Forecast 2023-2028

The past few quarters have been encouraging for North American Meetings, Incentives, Conventions and Exhibitions (MICE) market suppliers. A large number of Meetings, Incentives, Conventions and Exhibitions (MICE) companies are reporting profitability after several quarters of margin declines. Focus on increasing operational efficiency, capturing niche market opportunities, and others are widely observed. The North American Meetings, Incentives, Conventions and Exhibitions (MICE) industry research identifies the key market trends, driving forces, and growth opportunities across 3 countries including the United States, Canada, and Mexico markets.

Europe Meetings, Incentives, Conventions and Exhibitions (MICE) Industry: Market Trends, Share, Size, Growth, Opportunity and Forecast 2023-2028

Leading European Meetings, Incentives, Conventions and Exhibitions (MICE) companies are focusing on customer orientation, sustainable supply chains, and economic value creation to succeed in long-term market conditions. As Asian manufacturers enter the European markets, the region's electronics and semiconductors sector is undergoing a paradigm shift. The European Meetings, Incentives, Conventions and Exhibitions (MICE) industry is also facing the significant impact of the Russia-Ukraine war. The insights report analyzes the Western European Meetings, Incentives, Conventions and Exhibitions (MICE) countries including Germany, France, Spain, the United Kingdom, Italy, and other European countries including Russia, Turkey, and others.

Asia Pacific Meetings, Incentives, Conventions and Exhibitions (MICE) Industry: Market Trends, Share, Size, Growth, Opportunity and Forecast 2023-2028

Economic growth and shifting consumer preferences are set to shape the future of the Asia Pacific Meetings, Incentives, Conventions and Exhibitions (MICE) industry. Leading companies in China, India, Japan, South Korea, Australia, Indonesia, South East Asia, and other regions are focusing on rapid business expansion through new product launches. The Meetings, Incentives, Conventions and Exhibitions (MICE) insights report provides the market size outlook across these countries from 2018 to 2030.

South America Meetings, Incentives, Conventions and Exhibitions (MICE) Industry: Market Trends, Share, Size, Growth, Opportunity and Forecast 2023-2028

South American countries including Brazil, Argentina, Chile, and others continue to demonstrate robust value-creation potential through 2030. Both traditional players and new start-ups are spending more on expanding products to niche consumer segments. Increasing urbanization, infrastructure development, and improving disposable incomes are likely to drive the market outlook over the forecast period.

Middle East and Africa Meetings, Incentives, Conventions and Exhibitions (MICE) Industry: Market Trends, Share, Size, Growth, Opportunity and Forecast 2023-2028

The Middle East and African regions have a growing population, increasing urbanization, and improving standards of living, all of which contribute to the rising Meetings, Incentives, Conventions and Exhibitions (MICE) demand. Further, Sustainability and environmental concerns are gaining prominence in the GCC region. In Africa, vehicle sales continued an upward trend and the rapid growth in infrastructure in the African region enables Meetings, Incentives, Conventions and Exhibitions (MICE) companies to generate significant business growth in the medium to long-term future.

Competitive Insights

The landscape of the industry is shifting, moving away from traditional competition between peers and embracing new forms of competitive interactions. There is an increasing trend among companies from building products to building businesses. Companies are investing in developing new growth opportunities with market leaders increasingly focused on building and scaling up new businesses.

The Meetings, Incentives, Conventions and Exhibitions (MICE) insights report provides a competitive analysis of the industry in 2023. The business profiles of the leading 10 companies are profiled in the study along with their SWOT profile, financials, products and services, and market developments. In addition, an evaluation of the competitive landscape, including major players, market share, and strategies adopted by key manufacturers is provided in the research study. The report also identifies the most prominent challenges and potential growth barriers faced by leading companies.
