## Abstracts

### 2020 Peripheral Arterial Disease (PAD) PIPELINE HIGHLIGHTS

Peripheral Arterial Disease (PAD) is one of the widely researched conditions during 2020 with 34 companies actively focusing on realizing pipeline's potential.

Development of Peripheral Arterial Disease (PAD) medicines is identified as integral to the strategy of the majority of companies operating in the industry.

Global Peripheral Arterial Disease (PAD) market presents promising new product pipeline with NME Projects, pivotal trials, and rapidly phase-advancing therapeutic candidates. Increasing number of companies are assessing the feasibility of developing treatment options for Peripheral Arterial Disease (PAD).

Good progress is anticipated during 2020 and 2021 with Peripheral Arterial Disease (PAD) pipeline molecules advancing from pre-clinical investigation to completion of advanced Phase clinical trials. Peripheral Arterial Disease (PAD) pipeline continues to expand and progress with novel mechanisms and diverse routes of administration being tested by companies.

### Peripheral Arterial Disease (PAD) DRUG DEVELOPMENT PIPELINE OVERVIEW

The "Peripheral Arterial Disease (PAD) pipeline Research Monitor, 2020" report is an analytical research study on the progress achieved by pipeline companies during the year along with its historical development, current status, and outlook.

This Peripheral Arterial Disease (PAD) pipeline review explores high-potential early to late-stage pipeline projects with a continued focus on new insights, accelerated processes, and pipeline progression.

The competitive intelligence report on Peripheral Arterial Disease (PAD) presents detailed insights into therapeutic drug pipeline development, industry news, deals, and

analysis across the length and breadth of the Peripheral Arterial Disease (PAD) pipeline. Information on R&D pipeline updates, results of key clinical trials are also included in the report.

#### Peripheral Arterial Disease (PAD) DRUG PROFILES

Peripheral Arterial Disease (PAD) development pipeline including projects in early- and late-stage development are detailed in the report. Details of clinical trial data and submissions to regulatory authorities are also provided. For the drug candidates included in the report, the following information is provided-

Current Status of Development including phase advancements, regulatory approvals of phases, acquisitions, licensing and technology transfers, product launches in various markets, and others.

Phase of development

Mechanism of Action

Route of Administration

Companies involved including originator, licensing companies, developer, investors, and others

New molecular entity details

Orphan drug designation and other special status provided by regulators

#### Peripheral Arterial Disease (PAD) COMPANY PROFILES

Both small size and large size pharmaceutical companies are investing their resources in Peripheral Arterial Disease (PAD) drug development operations. Further, financial institutions are extending support to small pharmaceutical companies, universities, and other researchers for the development of treatment of Peripheral Arterial Disease (PAD). Partnerships and acquisitions are also increasingly observed in the pipeline.

This research report presents an analysis of 34 Peripheral Arterial Disease (PAD) companies including company overview, key snapshot, contact information, and their strategies on accelerating Peripheral Arterial Disease (PAD) pipeline development. Mid-stage and early portfolios of these companies are analyzed in detail in the report.

Companies analyzed in the report include- Alucent Medical Inc, AnGes MG Inc, AngioSoma Inc, apceth Biopharma GmbH, AptaBio Therapeutics Inc, ARCA biopharma Inc, ArtGen Inc, Athera Biotechnologies AB, Athersys Inc, Bayer AG, Betagenon AB, BiogenCell Ltd, CardioVascular BioTherapeutics Inc, Celularity Inc, CuRAGE Therapeutics Inc, Exodos Life Sciences LP, Foresee Pharmaceuticals Co Ltd, Helixmith Co Ltd, Hemostemix Inc, ID Pharma Co Ltd, JanOne Inc, Juventas Therapeutics Inc, LipimetiX Development Inc, Nangiotsx Inc, Novartis AG, Polysan NTFF Ltd, Resverlogix Corporation, Reven Pharmaceuticals Inc, SK Chemicals Co.,Ltd, Sorrento Therapeutics Inc, Stemedica Cell Technologies Inc, Symic Biomedical Inc, Vascugen Inc, VESSL Therapeutics Ltd

## **REASONS TO BUY**

The current market conditions are forcing companies and investors worldwide to prioritize their investments and accelerate pipeline candidates only through careful quantitative assessment.

This research work assists decision makers in pharmaceutical companies towards successful pipeline development through critically evaluated pipeline data

Buyers can identify most promising drug candidates for treatment of Peripheral Arterial Disease (PAD)

It allows users to strengthen their pipeline through acquisitions, licensing and collaborations

Users can estimate possible delays in the delivery of pipeline or launch of new products

Stay ahead of competition through understanding their pipeline progression, strategies and outlook

The report details all the pipeline candidates under investigation in various stages of development from Phase I through to Phase III to enable business development managers to understand the impact of new launches.

Optimize your licensing and technology transfer strategies through identification

of prospect partners

## Contents

### **1. INTRODUCTION TO PERIPHERAL ARTERIAL DISEASE (PAD)**

- 1.1 Peripheral Arterial Disease (PAD)- Disease overview
- 1.2 Peripheral Arterial Disease (PAD)- Market Size
- 1.3 Peripheral Arterial Disease (PAD)- Companies Involved

### **2. PERIPHERAL ARTERIAL DISEASE (PAD) PIPELINE SNAPSHOT- 2020**

- 2.1 Peripheral Arterial Disease (PAD) Pipeline by Phase
- 2.2 Peripheral Arterial Disease (PAD) Pipeline by Mechanism of Action
- 2.3 Peripheral Arterial Disease (PAD) Pipeline by Route of Administration
- 2.4 Peripheral Arterial Disease (PAD) Pipeline- New Molecular Entities
- 2.5 Peripheral Arterial Disease (PAD) Pipeline- Orphan Drug Designation/ Special Designation

### **3. PERIPHERAL ARTERIAL DISEASE (PAD) DRUG PROFILES**

- 3.1 Current Status
- 3.2 Peripheral Arterial Disease (PAD) Drug Snapshot
- 3.3 Peripheral Arterial Disease (PAD) Therapeutic Candidates- Originator/Licensor
- 3.4 Route of Administration
- 3.5 Mechanism of Action
- 3.6 NME
- 4.1 Alucent Medical Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.2 AnGes MG Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.3 AngioSoma Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.4 apceth Biopharma GmbH Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.5 AptaBio Therapeutics Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.6 ARCA biopharma Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.7 ArtGen Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.8 Athera Biotechnologies AB Peripheral Arterial Disease (PAD) Pipeline Insights and

## Clinical Trials

- 4.9 Athersys Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.10 Bayer AG Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.11 Betagenon AB Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.12 BiogenCell Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.13 CardioVascular BioTherapeutics Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.14 Celularity Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.15 CuRAGE Therapeutics Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.16 Exodos Life Sciences LP Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.17 Foresee Pharmaceuticals Co Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.18 Helixmith Co Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.19 Hemostemix Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.20 ID Pharma Co Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.21 JanOne Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.22 Juventas Therapeutics Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.23 LipimetiX Development Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.24 Nangiotox Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.25 Novartis AG Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.26 Polysan NTFF Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.27 Resverlogix Corporation Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.28 Reven Pharmaceuticals Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.29 SK Chemicals Co.,Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials
- 4.30 Sorrento Therapeutics Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials

4.31 Stemedica Cell Technologies Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials

4.32 Symic Biomedical Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials

4.33 Vascugen Inc Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials

4.34 VESSL Therapeutics Ltd Peripheral Arterial Disease (PAD) Pipeline Insights and Clinical Trials

## **5. PERIPHERAL ARTERIAL DISEASE (PAD) MARKET NEWS AND UPDATES**

## **6. APPENDIX**

6.1 Sources and Methodology

6.2 Contact Information

## I would like to order

Product name: Peripheral Arterial Disease (PAD) pipeline Research Monitor, 2020- Drugs, Companies, Clinical Trials, R&D pipeline updates, status and outlook

Product link: <https://marketpublishers.com/r/P1D290FFAF02EN.html>

Price: US\$ 1,599.00 (Single User License / Electronic Delivery)

If you want to order Corporate License or Hard Copy, please, contact our Customer Service:
