## **Abstracts**

In this year's "Sake Market Size Outlook and Opportunities in the post-pandemic world- Global Sake Industry Trends, Growth Strategies, Market Shares, Companies, and Forecasts for countries" report, we examine the growth opportunities in the Sake industry from 2022 to 2030 and key strategies for companies to boost their market shares. The Sake market report highlights opportunities available in the post-pandemic era and how companies might be able to achieve them.

### **Sake Market Overview, 2022**

The global Sake market is identified as one of the high prospect markets in the post-pandemic future. Consumers across the income spectrums are exhibiting strong optimism and spending, driving up Sake sales in 2022. In particular, the year 2022 is enabling Sake companies to widen their product portfolio as increasing consumer demand is observed across developed and developing markets.

### **Global Sake Market Segment Analysis and Outlook**

The report analyzes the global and regional Sake markets across diverse segments to present insights into the most potential categories. To enable readers to understand most potential segments for investment in the long-term and short-term future across different markets, the report presents the Sake market analysis by types, Sake market analysis by applications, Sake market outlook by end-user, and Sake market outlook by geography.

### **Global Sake Market Trends, Drivers, Challenges, and Opportunities**

Top Sake Market Trends for the next ten years to 2030- The global Sake market is undergoing a period of unprecedented demand and interest with consumption patterns evolving rapidly by geography. As companies aim for creating value through long-term strategy, the report presents a detailed analysis of short-term and long-term trends set to shape the future of the global Sake markets.

Key Market Drivers shaping the future of Sake Markets- To enable companies to unlock new avenues for sustainable profitable growth, the report presents detailed insights into the key driving forces shaping the future of the global Sake industry.

Further, recent industry changes illustrate the growth in Sake that has brought disruption. To stay at the forefront of the industry, understanding these challenges and overcoming them remains vital. The report identifies the current challenges and needs in the Sake markets.

#### Sake Market Size Outlook in Post-COVID-19: Implications for Companies

The report analyzes the changes in the industry brought about by the COVID-19 Pandemic and presents the Sake market outlook across three case scenarios.

The majority of the Sake companies reacted to COVID-19 through disciplined cost management, improving operational efficiency, product innovation, brand building, digitalization, and sustainability initiatives. Robust mitigation and adaptation plan to improve supply chain resilience were widely observed.

With a robust market outlook from 2022 to 2030, companies are focusing on scaling direct access to consumers and investing in personalization in their marketing activities to achieve greater engagement and loyalty.

Further, the long-term Sake market size outlook also considers the impact of the Russia-Ukraine war, possible looming global recession, trade issues between the US and China, the possibility of new virus variants, and other conditions.

#### North America Sake Market Size and Market Share Outlook to 2030

The report analyzes the current status and North American Sake market outlook to 2030. Leading market types, applications, and potential countries in North America are analyzed in the report. Further, the Sake market size forecasts are provided for the United States (the US), Canada, and Mexico countries in the report.

#### Europe Sake Market Size and Market Share Outlook to 2030

Western European countries of Germany, France, Spain, the United Kingdom (the UK), and Italy contribute significantly to the global Sake market size in 2022. In addition, the Rest of the Europe countries also present a robust growth outlook with improving macroeconomic conditions, and companies expanding their operations in these countries.

#### Asia Pacific Sake Market Size and Market Share Outlook to 2030

Emerging countries in the Asia Pacific remain the most potential growth markets for companies planning business expansions. Rapid urbanization, increasing disposable incomes, consumer spending increases, and the launch of new products shape the future of Sake markets in Asia Pacific countries. The report analyzes China, India, Japan, and South Korea markets and the Rest of Asia Pacific countries including their market size in 2022 and forecast to 2030.

#### The Middle East and Africa Sake Market Size and Market Share Outlook to 2030

The landscape of the Middle East economy is shifting as consumer preferences continue to emerge. The Sake report assesses the potential market size of the Middle East market and its growth outlook to 2030. Among countries, Saudi Arabia, United Arab Emirates (The UAE), and other Middle East markets are analyzed in the report.

The Africa Sake industry continues to offer exciting opportunities to build large, profitable businesses for companies launching products to cater to domestic consumers. The report presents the current status and outlook of Egypt, South Africa, and other countries through 2030.

#### Leading Sake Company Profiles and Business Strategies

Emerging Sake market competition is increasing as more companies are strengthening their operations and targeting wide customer segments. As companies can gain an advantage from anticipating their competitors' strategic moves, the Sake report presents key insights into competitor profiles, their strategies, product profiles, financial profiles, and other information.

Critical Success Factors such as innovating new products, delivering innovations quickly, and scaling them across brands, categories, and geographies, using data and technology to unlock efficiencies and growth opportunities are widely observed in the Sake industry.

The Sake market intelligence report analyzes the leading five companies in the industry. We analyze over 15 companies but present the five players in the multi-client study.

Customers can opt for free customization by requesting their preferred competitor profiles.

## Contents

### **1. TABLE OF CONTENTS**

- 1.1 List of Exhibits
- 1.2 Tables and Charts

### **2. SAKE MARKET REPORT GUIDE**

- 2.1 Foreword
- 2.2 Definition and Scope of Deliverables
- 2.3 Abbreviations
- 2.4 Research Methodology
- 2.5 Highlights of the H2- 2022 edition

### **3. INTRODUCTION TO GLOBAL SAKE MARKETS, 2022**

- 3.1 State of Sake Industry, 2022
- 3.2 Sake Market performance and outlook to 2030
  - 3.2.1 Historical Performance
  - 3.2.2 Future Outlook
