Abstracts

In the dynamic and fragmented Metals and Mining industry, besieged by intense competition and rapid change of technological innovations, the ability to anticipate new product introductions and marketing strategies is particularly important...and can spell the difference between success and failure.

Our collection of strategic assessments of leading Metals and Mining Industry companies provides significant competitor information, analysis and insight critical to the development and implementation of effective business, marketing and R&D programs. The assessments include latest organizational and management developments, acquisitions and divestitures, marketing tactics, financial results, strengths and weaknesses, and strategic directions.

Anglo American

BHP

Compass Minerals

Rio Tinto

Teck Resources

Vale SA

These reports will complement your internal competitor information gathering efforts

with objective strategic analysis, data interpretation and insight.

The reports will also assist current competitors and potential market entrants in evaluating prospective acquisitions and joint venture candidates.
