Abstracts

This report provides insightful assessments of the performance, capabilities, goals and strategies of the major competitors in the North American Food and Beverage market. The report is designed to provide industry executives with strategically significant competitor information, analysis, and insight critical to the development and implementation of effective marketing and R&D programs.

The companies analyzed in this report include A-B InBev, Cargill, Coca-Cola, Kraft Foods, Mars, Nestlé, PepsiCo, SABMiller, Tyson, and Unilever.

The report's major objectives include:

To establish a comprehensive, factual, annually-updated and cost-effective information base on performance, capabilities, goals and strategies of the leading players in the North American food and beverage market.

To help current suppliers realistically assess their financial, marketing and technological capabilities vis-a-vis leading competitors.

To assist potential market entrants in evaluating prospective acquisitions and joint venture candidates.

To complement organizations' internal competitor information gathering efforts by providing strategic analysis, data interpretation and insight.

To identify the least competitive market niches with significant growth potential.
