## Abstracts

This new 550-page report from LeadingMarketResearch contains 65 tables, and presents a thought-provoking analysis of the performance, capabilities, goals and strategies of the major competitors in the worldwide flavor and fragrance market. The study is designed to provide the flavor and fragrance industry executives with strategically significant competitor information, analysis, and insight critical to the development and implementation of effective marketing and R&D programs. The reports major objectives include:

To establish a comprehensive, factual, annually-updated and cost-effective information base on performance, capabilities, goals and strategies of the worlds leading flavor and fragrance companies.

To help current suppliers realistically assess their financial, marketing and technological capabilities vis-a-vis leading competitors.

To assist potential market entrants in evaluating prospective acquisitions and joint venture candidates.

To complement organizations internal competitor information gathering efforts by providing strategic analysis, data interpretation and insight.

To identify the least competitive market niches with significant growth potential.

The report provides information not available from any other published source, such as sales force estimates by country.

Contains 550 pages and 65 tables
