Abstracts

Global Big Data, Business Intelligence, Analytics Market, Connected World, Cloud & Data Center Intelligence Quarterly Roundup: 2017 primarily is a bundled report for the 3 coverage areas of Westward Research namely

1. Global Big Data, Business Intelligence and Analytics Market Quarterly Roundup: Q2 - 2017 (April - June)
2. Global Connected World: Q2 – 2017 (April, May, June)
3. Cloud and Data Center Intelligence Report Q2 – 2017 (April, May, June)

Westward Research covers 500+ leading technology and service providers for the above mentioned areas including 250+ companies for Big Data, Business Intelligence and Analytics; 140+ leading technology and telecom service providers offering M2M/IoT and Connected World Services and more than 120 leading global Cloud and Data Center services providers. The combined report contains summarized information related to 1000+ major developments during the period April-2017 to June-2017.

Reasons to purchase the report:

1. The report contains data and details in summarized tabular format which makes it easily interpretable for the audience.
2. Offers the readers with an in-depth analysis of current strategies and future trends related to Big Data, BI, Analytics, M2M/IoT, Connected World, Cloud and Data centers globally.
3. Summarized information provides information to the business leaders to explore innovative strategies and offerings, to cater to and succeed in the current competitive

market globally.

4. The information provided helps the audience in the analysis and evaluation of the leading technology vendors and service providers globally, understand their relative competitive positioning and evaluate the capabilities for partnerships & alliances and for awarding/selecting for deal/contract.
5. The bundled report provides the target audience with key themes, which can be considered for the formulation of forward strategy.
