Date: March 2018

Pages: 80

Price: US\$ 4,300.00 (Single User License)

ID: L214D4CB060EN

Abstracts

The 2018 study has 80 pages, 46 tables and figures. Worldwide markets are poised to achieve continuing growth as Lunch Boxes respond to key changes in efforts to control obesity in children and to facilitate the ingestion of more nutrition and fewer snacks as meals.

The global market for Lunch Boxes at \$2.7 billion in 2017 is anticipated to reach \$5.96 billion by 2024 2017. They have growth of 12% through 2024 (2018 to 2024). Increasing attention to nutrition for all people is expected to drive the growth of the market in the coming years.

WinterGreen Research is an independent research organization funded by the sale of market research studies all over the world and by the implementation of ROI models that are used to calculate the total cost of ownership of equipment, services, and software. The company has 35 distributors worldwide, including Global Information Info Shop, Market Research.com, Research and Markets, electronics.ca, Bloomberg, and Thompson Financial.

WinterGreen Research is positioned to help customers facing challenges that define the modern enterprises. The increasingly global nature of science, technology and engineering is a reflection of the implementation of the globally integrated enterprise. Customers trust wintergreen research to work alongside them to ensure the success of the participation in a particular market segment.

WinterGreen Research supports various market segment programs; provides trusted technical services to the marketing departments. It carries out accurate market share and forecast analysis services for a range of commercial and government customers

globally. These are all vital market research support solutions requiring trust and integrity.
