How will the winter sports equipment market in Canada look like over the next six years in both volume and value terms for each possible scenario?

## Short Methodology

This research report has been prepared with WMStrategy's research methodology, which includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from local market experts (representatives of the main market participants), gathered by semi-structured interviews.

For this particular report, more than 10 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). The full list of interviewed experts and a detailed methodology are available upon request.

## Customization

The report will be updated as of the current month of purchase, which is why it will be dispatched within five working days after order confirmation. If the report is missing data points you need, it can be amended to fit your specific requirements and satisfy your individual objectives and information needs. Contact us for more information!

## Report Benefits

Discover how the market performed in the past (in the last five years) and how it will perform in the future (in the next six years);

Track and identify key market trends and insights on key drivers behind recent market changes;

Strategically assess the competitive position of the main market players;

Evaluate how diversified the market is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;

Assess growth potential, opportunities, demand drivers, and challenges on the market;

Quickly and cost-effectively receive a complete strategic analysis of the market;

Improve your pitches and presentations by using verified market data and expert insights;

Make important strategic decisions safely and with confidence;

Receive professional expertise on the market and everything important connected with its development;

Empower your marketing, branding, strategy, product and business development, consumption, and supply functions with valuable market insights;  
Build your investment strategy by assessing market attractiveness, country attractiveness, or company attractiveness;  
Evaluate the key macroeconomic indicators to get insight into the general trends within the economy and demographics;  
Acquire data your competitors might already have and be acting upon.
