#### State of the Global Demographics and Economy

This section of the report presents you with historical and forecast data about key macroeconomic indicators of the global demographics and economy:

What are the values of key global economic indicators (GDP, inflation, unemployment, government debt, etc.)?

What are the values of key global demographic indicators (population, growth rate, life expectancy, age and gender, etc.)?

#### Analysis of the CIS Home and Laundry Care Industry

This section of the report provides an overview of the market size and dynamics of the home and laundry care industry in the CIS Countries, segmented by the main product groups in value terms for the period 2020-2024. It answers the following questions:

What are the size and dynamics of the CIS home and laundry care industry in value terms?

How has the CIS home and laundry care industry been segmented by country in value terms over the past five years?

How has the CIS home and laundry care industry been segmented by product groups in value terms over the past five years?

How is the industry broken down by segments?

What are the major trends affecting the industry?

Which are the major companies on the CIS home and laundry care industry and what are their main characteristics?

How fragmented is the competitive landscape?

What is the degree of competition, based on Porter's five forces?

What are the drivers and challenges affecting the industry development?

#### CIS Home and Laundry Care Prices

The price section of the industry research report answers:

How is the industry value chain formed?

What is the structure of price formation?

What are the average retail prices of home and laundry care in the CIS Countries and how have they changed over the last five years?

What are the average retail prices of the main product groups within the industry?

How have the home and laundry care retail prices in the CIS Countries developed in each of the analyzed countries over the last five years?

#### Foreign Trade Operations of Home and Laundry Care in the CIS Countries

The foreign trade operations section of the industry report answers:

How has the trade balance developed over the last five years?

Does the CIS Countries import more home and laundry care than it exports within each of the main product groups in the industry?

Which CIS countries are net importers and which - net exporters of home and laundry care?

#### Imports of Home and Laundry Care to the CIS Countries

The import section of the industry research report answers:

How has the value of home and laundry care imports to the CIS Countries changed over the past five years?

How are the CIS home and laundry care imports segmented by main product groups?

Which are the major CIS countries importing home and laundry care?

Which are the major countries that export home and laundry care to the CIS Countries?

What are the average prices of home and laundry care imported to each CIS country and how have they changed over the last five years?

#### Exports of Home and Laundry Care from the CIS Countries

The export section of the industry report answers:

How has the value of home and laundry care exports from the CIS Countries changed

over the past five years?

How are the CIS home and laundry care exports segmented by main product groups?

Which are the major CIS countries exporting home and laundry care?

Which are the main recipient countries of the CIS exports of home and laundry care?

What are the average prices of home and laundry care exported from each CIS country and how have they changed over the last five years?

### Consumption of Home and Laundry Care in the CIS Countries

This section of the report answers:

What is the per capita consumption of home and laundry care in each CIS country in value terms? How has it changed over the past five years?

### CIS Home and Laundry Care Industry Forecast

The final section of the industry report presents a forecast for the industry development in the medium term, based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the home and laundry care industry in the CIS Countries develop over the next six years for each scenario?

What are the forecasted market dynamics of the main product groups within the industry under the base scenario?

### Short Methodology

The industry research report is prepared using WMStrategy's proven research methodology. It includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from market experts (representatives of the main market participants), gathered through semi-structured interviews.

For this particular industry report, at least 20 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). A detailed methodology is available upon request.

### Customization

The report will be updated as of the current month of purchase and will be dispatched within five working days after order confirmation. It can be amended to fit your specific data needs and preferences to cover your individual goals. Contact us to share your particular requirements!

### Report Benefits

Discover how the home and laundry care industry in the CIS Countries performed in the

past (in the last five years) and how it will perform in the future (in the next six years);  
Track and identify key industry trends and insights behind recent industry changes;  
Understand the overall local demand for the main home and laundry care product groups;  
Discover which are the most promising markets and segments;  
Strategically assess the competitive position of the main industry players;  
Evaluate how diversified the industry is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;  
Assess growth potential, opportunities, demand drivers, and challenges in the industry;  
Quickly and cost-effectively receive a complete strategic analysis of the industry;  
Improve your pitches and presentations by using verified industry data and expert insights;  
Make important strategic decisions safely and with confidence;  
Receive professional expertise on the industry and its development;  
Empower your marketing, branding, strategy, product and business development with valuable industry insights;  
Build your investment strategy by assessing industry attractiveness or company attractiveness;  
Evaluate the key macroeconomic indicators to get insight into the general trends within the economy and demographics;  
Acquire data your competitors might already have and be acting upon.

### Report Users

This industry research report is ideal for people who want to gain a comprehensive understanding of the home and laundry care industry in the CIS Countries. It is also tailored to help people who need a clear and fact-based analysis of the market size and dynamics, import, export, foreign trade, and pricing of the main product groups and country markets within the industry. Most often, these people are professionals actively working in the industry as:

C-suite executives;  
Directors;  
Industry strategists;  
Marketing professionals;  
Business development professionals;  
Product developers;  
Product marketers and strategists;  
Product managers;  
Project managers;

Suppliers;
