What are the size and dynamics of the CIS tv and multimedia industry in volume and value terms?

How has the CIS tv and multimedia industry been segmented by country in volume and value terms over the past five years?

How has the CIS tv and multimedia industry been segmented by product groups in volume and value terms over the past five years?

How is the industry broken down by segments?

What are the major trends affecting the industry?

Which are the major companies on the CIS tv and multimedia industry and what are their main characteristics?

How fragmented is the competitive landscape?

What is the degree of competition, based on Porter's five forces?

What are the drivers and challenges affecting the industry development?

CIS Tv and Multimedia Prices

The price section of the industry research report answers:

How is the industry value chain formed?

What is the structure of price formation?

What are the average retail prices of tv and multimedia in the CIS Countries and how have they changed over the last five years?

What are the average retail prices of the main product groups within the industry?

How have the tv and multimedia retail prices in the CIS Countries developed in each of the analyzed countries over the last five years?

Foreign Trade Operations of Tv and Multimedia in the CIS Countries

The foreign trade operations section of the industry report answers:

How has the trade balance developed over the last five years?

Does the CIS Countries import more tv and multimedia than it exports within each of the main product groups in the industry?

Which CIS countries are net importers and which - net exporters of tv and multimedia?

Imports of Tv and Multimedia to the CIS Countries

The import section of the industry research report answers:

How has the volume and value of tv and multimedia imports to the CIS Countries changed over the past five years?

How are the CIS tv and multimedia imports segmented by main product groups?

Which are the major CIS countries importing tv and multimedia?

Which are the major countries that export tv and multimedia to the CIS Countries?

What are the average prices of tv and multimedia imported to each CIS country and how have they changed over the last five years?

Exports of Tv and Multimedia from the CIS Countries

The export section of the industry report answers:

How has the volume and value of tv and multimedia exports from the CIS Countries changed over the past five years?

How are the CIS tv and multimedia exports segmented by main product groups?

Which are the major CIS countries exporting tv and multimedia?

Which are the main recipient countries of the CIS exports of tv and multimedia?

What are the average prices of tv and multimedia exported from each CIS country and how have they changed over the last five years?

Consumption of Tv and Multimedia in the CIS Countries

This section of the report answers:

What is the per capita consumption of tv and multimedia in each CIS country in volume and value terms? How has it changed over the past five years?

CIS Tv and Multimedia Industry Forecast

The final section of the industry report presents a forecast for the industry development in the medium term, based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the tv and multimedia industry in the CIS Countries develop over the next six years for each scenario?

What are the forecasted market dynamics of the main product groups within the industry under the base scenario?

Short Methodology

The industry research report is prepared using WMStrategy's proven research methodology. It includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from market experts (representatives of the main market participants), gathered through semi-structured interviews.

For this particular industry report, at least 20 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). A detailed methodology is available upon request.

Customization

The report will be updated as of the current month of purchase and will be dispatched within five working days after order confirmation. It can be amended to fit your specific data needs and preferences to cover your individual goals. Contact us to share your particular requirements!

Report Benefits

Discover how the tv and multimedia industry in the CIS Countries performed in the past (in the last five years) and how it will perform in the future (in the next six years);

Track and identify key industry trends and insights behind recent industry changes;

Understand the overall local demand for the main tv and multimedia product groups;

Discover which are the most promising markets and segments;
