## Abstracts

This report presents a comprehensive overview of the benzene market in India and a forecast for its development in the next five years. It provides a detailed analysis of the market, its dynamics, structure, characteristics, main players, growth and demand drivers, etc. This is the most detailed and comprehensive report about the benzene market in India currently available!

The purpose of the report is to describe the state of the benzene market in India, to present actual and retrospective information about the volumes, dynamics, structure and characteristics of production, imports, exports and consumption and to build a forecast for the market in the medium term. In addition, the report presents an elaborate analysis of the main market participants, the price fluctuations, growth and demand drivers of the market and all other factors, influencing its development. It also focuses on the overall installed production capacities in the country along with the main producers on the market, the technologies each of them uses and the average utilization rates.

This research report has been prepared using the unique WMStrategy's methodology, including a blend of qualitative and quantitative data. The information comes from official sources and insights from market experts (representatives of the main market participants), gathered by semi-structured interviews.

The report on the benzene market in India includes:

Analysis and forecast for the economy of Asia and Pacific;

Analysis and forecast for development of the market volume (market size), value and dynamics;

Market breakdown (by origin, etc.);

Volume and dynamics of all installed capacities for the production of benzene in India and forecast for their development in the medium term;

Breakdown of all installed capacities for the production of benzene in India by their owner and operator companies;

Main technologies used for producing benzene in India in the main plants of each of the domestic market players;

Average annual utilization rates for the production of benzene in India and forecast for their development in the medium term;

Volume, dynamics and analysis of domestic production (past, current and future);

Analysis of price levels (wholesale, retail, distributors, etc.) and their dynamics (past, current and future);

Volume, dynamics and analysis of imports (past, current and future);

Volume, dynamics and analysis of exports (past, current and future);

Volume, dynamics and analysis of consumption (past, current and future);

Characteristics of the main market participants (manufacturers, distributors, wholesalers, retailers, importers, exporters, Governmental structures, etc.) and the competitive landscape;

Profiles of the main companies, producing benzene in India along with their overall production capacities;

Value chain analysis and structure of price formation;

Analysis of the factors, influencing the market development (market growth drivers, restraints, recent state programs, etc.);

Analysis and forecast of the trends and levels of supply and demand on the

market;

Forecast for the market development in the medium term (including three possible scenarios for development).

This report will allow you to:

Quickly and cost-effectively gain competitive intelligence about the market;

Track market data, including size, value, segmentation, forecasts, dynamics and structure – past, present and future;

See the exact usage of benzene in India by main applications/product groups in the last five years and a forecast for its development in the medium term;

Evaluate the overall installed capacities used for the production of benzene in India and their utilization rates in the last five years and a forecast for their development in the medium term;

Strategically assess the competitive position of each of the main domestic producers, along with their overall installed capacities and production techniques;

Track and identify key market trends, opportunities and threats and key drivers behind recent market changes;

Strategically assess market growth potential, demand drivers and restraints on the market;

Evaluate the key macroeconomic indicators to get insight into the general trends within the economy;

See how the market performed in the past (over the last 5 years) and how it will perform in the future (in the next 5 years);

Get acquainted with the leading companies on the market (manufacturers, distributors, wholesalers, retailers, importers, exporters, Government structures, etc.);

Evaluate how diversified the market is in terms of competitive intensity, fragmentation and environment and understand competitive threats;

Empower your marketing, branding, strategy and market development, consumption and supply functions with useful market insights;

Build your investment strategy by assessing market attractiveness or company attractiveness;

Build your own market entry or market expansion strategy or evaluate your current strategy;

Add weight to pitches and presentations by using official and accurate data and calculations.

This is the most comprehensive report covering the benzene market in India currently available! We also offer similar reports, covering every other global country, region and the world as an overall and offer special terms for bundle purchases. So, if you are interested in the benzene market in India, this research report will provide you with invaluable analysis of the market, its recent and future development. In addition, the report will save you time and money while presenting you all the necessary information, empowering you to make informed decisions and move your business forward!

## Contents

### **1. INTRODUCTION**

- 1.1. Report description
- 1.2. Research methodology

### **2. EXECUTIVE SUMMARY**

### **3. CHARACTERISTICS OF BENZENE**

### **4. CHARACTERISTICS OF RAW MATERIALS**

### **5. STATE OF THE ECONOMY OF ASIA AND PACIFIC**

- 5.1. Characteristics of the economy of Asia and Pacific in the last 5 years
- 5.2. Forecast for the development of the economy of Asia and Pacific for the next 3 years

### **6. OVERVIEW AND ANALYSIS OF THE BENZENE MARKET IN INDIA**

- 6.1. Volume, value and dynamics of the benzene market in India in the last 5 years
- 6.2. Structure of the benzene market in India in the last 5 years: production, imports, exports, consumption
- 6.3. Structure of the benzene market in India by origin
- 6.4. Structure of the benzene market in India by application/main product groups and forecast for its development in the medium term
- 6.5. Key recent trends on the benzene market in India
- 6.6. Competitive landscape of the market
- 6.7. Key drivers and restraints for the market development in the medium term

### **7. OVERVIEW AND ANALYSIS OF THE DOMESTIC PRODUCTION OF BENZENE IN INDIA**

- 7.1. Volume, distribution and dynamics of the installed capacities for the production of benzene in India in the last 5 years and forecast for their development in the medium term
- 7.2. Volume and dynamics of the average annual utilization rates used for the production of benzene in India in the last 5 years and forecast for their development in

the medium term

7.3. Volume, value and dynamics of the domestic production of benzene in India in the last 5 years and forecast for the medium term

7.4. Characteristics of the main producers of benzene in India along with their exact installed capacities and used production techniques in the last 5 years and forecast for their development in the medium term

## **8. CHARACTERISTICS AND ANALYSIS OF THE PRICES OF BENZENE IN INDIA**

8.1. Value chain analysis

8.2. Structure of price formation

8.3. Characteristics of the producer prices of benzene in India in the last 5 years

8.4. Characteristics of other prices of benzene

## **9. FOREIGN TRADE OPERATIONS OF BENZENE IN INDIA**

9.1. Foreign trade operations of benzene in India in the last 5 years

## **10. OVERVIEW AND ANALYSIS OF THE IMPORTS OF BENZENE TO THE INDIAN MARKET**

10.1. Volume, value and dynamics of the imports of benzene to India in the last 5 years

10.2. Main countries, importing benzene to India

10.3. Average prices of the benzene, imported to India

## **11. OVERVIEW AND ANALYSIS OF THE INDIAN EXPORTS OF BENZENE**

11.1. Volume, value and dynamics of the Indian exports of benzene in the last 5 years

11.2. Recipient countries of the Indian exports of benzene

11.3. Average prices of the Indian exports of benzene

## **12. CHARACTERISTICS OF THE CONSUMPTION OF BENZENE IN INDIA**

12.1. Volume, value and dynamics of the consumption of benzene in India in the last 5 years

12.2. Structure of the consumption of benzene in India in the last 5 years (by origin, etc.)

12.3. Volume, value and dynamics of the per capita consumption of benzene in India in the last 5 years

12.4. Balance between domestic supply and domestic demand on the benzene market in India in the last 5 years and forecast for its development in the medium term

### **13. FORECAST FOR DEVELOPMENT OF THE BENZENE MARKET IN INDIA FOR THE NEXT 5 YEARS**

13.1. Factors, influencing the development of the benzene market in India in the medium term

13.2. Forecast for market development in the medium term under three possible scenarios

#### **LIST OF FIGURES**

Volume and dynamics of the benzene market in India in the last 5 years

Value and dynamics of the benzene market in India in the last 5 years

Structure of the benzene market in India in the last 5 years, in volume terms

Structure of the benzene market in India in the last 5 years, in value terms

Structure of the benzene market in India by origin in physical terms in the last 5 years

Structure of the benzene market in India by origin in value terms in the last 5 years

Structure of the benzene market in India by application/main product groups in the last 5 years, in volume terms

Forecast for the structure of the benzene market in India by application/main product groups in the medium term, in volume terms

Structure of the benzene market in India by application/main product groups in the last 5 years, in value terms

Volume and dynamics of the installed capacities for the production of benzene in India in the last 5 years by main companies

Forecast for the installed capacities for the production of benzene by main companies in India in the medium term

Volume and dynamics of the average annual utilization rates used for the production of benzene in India in the last 5 years

Forecast for the average annual utilization rates used for the production of benzene in India in the medium term

Volume and dynamics of the domestic production of benzene in India in the last 5 years

Value and dynamics of the domestic production of benzene in India in the last 5 years

Forecast for the production of benzene in India in the medium term

Structure of the domestic producers of benzene by overall installed production capacities in India in the last 5 years and forecast for their development in the medium term

Value chain analysis of the benzene market in India

Structure of the benzene price formation in India, in %

Deviation of the average producer prices of benzene in India in the last 5 years

Trade balance of benzene foreign trade in India in the last 5 years, in volume terms

Trade balance of benzene foreign trade in India in the last 5 years, in value terms

Volume and dynamics of the imports of benzene to India in the last 5 years

Value and dynamics of the imports of benzene to India in the last 5 years

Main countries, importing benzene to India in the last 5 years, in volume terms

Main countries, importing benzene to India in the last 5 years, in value terms

Volume and dynamics of the average prices of the benzene, imported to India in the last 5 years

Volume and dynamics of the Indian exports of benzene in the last 5 years

Value and dynamics of the Indian exports of benzene in the last 5 years

Recipient countries of the Indian exports of benzene in the last 5 years, in volume terms

Recipient countries of the Indian exports of benzene in the last 5 years, in value terms

Volume and dynamics of the average prices of the Indian exports of benzene in the last 5 years

Volume and dynamics of the consumption of benzene in India in the last 5 years

Value and dynamics of the consumption of benzene in India in the last 5 years

Structure of the consumption of benzene in India in the last 5 years, in volume terms

Structure of the consumption of benzene in India in the last 5 years, in value terms

Volume and dynamics of the per capita consumption of benzene in India in the last 5 years

Value and dynamics of the per capita consumption of benzene in India in the last 5 years

Balance between domestic supply and domestic demand on the benzene market in India in the last 5 years and forecast for the next 5 years, in volume terms

Balance between domestic supply and domestic demand on the benzene market in India in the last 5 years and forecast for the next 5 years, in value terms

Forecast for the total supply of benzene in India for the next 5 years (under the framework of the base scenario), in volume and value terms

Forecast for the total supply of benzene in India for the next 5 years (under the framework of the pessimistic scenario), in volume and value terms

Forecast for the total supply of benzene in India for the next 5 years (under the framework of the optimistic scenario), in volume and value terms
