The Indonesian Personal Care Industry Report Description

This report presents an overview of the Indonesian personal care industry for the period 2020-2024, the effect of recent high-impact world events on it, and a forecast for the industry development in the medium term (2025F-2030F). It is a comprehensive industry report, analyzing multiple products within the beer industry, segmented into several main categories.

This research report provides a strategic analysis of the Indonesian personal care industry and describes the industry size, main market participants, growth and demand drivers, challenges, and other factors that influence the development of the industry.

This analysis includes information about the market value, import, export, foreign trade, and pricing of the main product groups within the industry.

This report covers personal care products - including hair care products (shampoos, conditioners, hair masks, hair styling products and hair coloring products), shower and bath products (shower gels, body scrubs, bathing products and soap), oral care products (toothpaste, mouthwash and rinse products, manual toothbrushes and dental floss), deodorants and anti-perspirants (roll-ons, deodorant sprays, waxy push-up sticks), shaving products (razors and razor blades, after shave products, beard moisturizers and pre-shaving creams and gels) and natural personal care products (natural body wash and body bars, shampoos with natural ingredients, toothpaste with natural ingredients, deodorants with natural ingredients), and is broken down by:

Product groups: Hair care products; Shower and bath products; Oral care products; Deodorants and anti-perspirants; Shaving products; Natural personal care products

Price segments: Mass; Mid-priced; Premium

Distribution channels (online vs. offline): Online; Offline

Distribution channels (professional vs. traditional): Professional (e.g. salons and

dermatologists); Traditional (retail)

Retail distribution channels: Perfume and cosmetic shops; Supermarkets and hypermarkets; Pharmacies; Convenience stores; Independent retailers

You will receive the industry research report within five working days after order confirmation. Contact us to learn if a shorter delivery time would be possible. After the delivery, you can study the report thoroughly and ask questions within the following three months.

We also offer similar market research reports and special terms for bundle purchases. Within the same industry, we also provide feasibility studies, business plans, due diligence reports, market entry, market development, product launch and product development studies, direct access to millions of potential new consumers, partner search and selection, and more. Contact us for more information.
