The Latvian Hardware and Building Materials Market Report Description

This report presents a comprehensive overview of the Latvian hardware and building materials market, the effect of recent high-impact world events on it, and a forecast for the market development in the medium term. The report provides a strategic analysis of the hardware and building materials market in Latvia and describes the main market participants, growth and demand drivers, challenges, and all other factors, influencing the development of the market.

The report covers hardware and building materials (products that contribute to the structural integrity and functionality of buildings, encompassing products related to doors, cabinets, floors, garage accessories, home safety, and security; including: hardware, building supplies; excluding: hardware services, construction activities) and is broken down by:

Product groups: Hardware; Building supplies

Price segments: Mass; Mid-priced; Premium

Distribution channels (online vs. offline): Online; Offline

Retail distribution channels: DIY retailers; Supermarkets and hypermarkets; Specialty retailers; Independent retailers; Others

You will receive the report within five working days after order confirmation. Contact us to learn if a shorter delivery time would be possible.

State of the Demographics and Economy of Europe

This section of the report presents you with historical and forecast data about key macroeconomic indicators of the demographics and economy in Europe.

What are the demographic characteristics (GDP, inflation, unemployment, government

debt, etc.) of Europe?

What are the economic characteristics (population, growth rate, life expectancy, age and gender, etc.) of Europe?

Analysis of the Hardware and Building Materials Market in Latvia

The market analysis section provides an overview of the market size and dynamics in value terms for the last five years. It answers the following questions:

What is the size of the hardware and building materials market in Latvia?

How has the hardware and building materials market in Latvia performed in value terms for the last five years?

How is the market structured?

What are the major trends affecting the market?

Which are the major companies on the market?

How intensive is the competitive landscape?

What are the drivers and challenges affecting the market development?

Hardware and Building Materials Prices in Latvia

The price section of the report answers the following questions:

How is the value chain of the market formed?

What is the structure of price formation?

What are the retail prices of hardware and building materials in Latvia?

Foreign Trade Operations of Hardware and Building Materials in Latvia

The foreign trade operations section answers the following questions:

What is the trade balance in value terms?

Does Latvia import more hardware and building materials than it exports?

How has the trade balance changed over the last five years?

Imports of Hardware and Building Materials to Latvia

The import section of the report answers the following questions:

How has the value of imports changed over the past five years?

Which are the major countries that import hardware and building materials to Latvia?

What is the average price of the hardware and building materials imported to Latvia?

Exports of Hardware and Building Materials from Latvia

The export section of the report answers the following questions:

How has the value of exports changed over the past five years?

Which are the main recipient countries of the Latvian hardware and building materials exports?

What is the average price of the hardware and building materials exported from Latvia?

Consumption of Hardware and Building Materials in Latvia

The consumption section of the report answers the following questions:

What is the per capita consumption value? How has it changed over the past five years?

Forecast

The final section of the report presents a forecast for the development of the market based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the hardware and building materials market in Latvia look like over the next five years in both value terms for each possible scenario?

Short Methodology

This research report has been prepared with WMStrategy's research methodology, which includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from local market experts (representatives of the main market participants), gathered by semi-structured interviews.

For this particular report, more than 10 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). The full list of interviewed experts and a detailed methodology are available upon request.

Customization

The report will be updated as of the current month of purchase, which is why it will be dispatched within five working days after order confirmation. If the report is missing data points you need, it can be amended to fit your specific requirements and satisfy your individual objectives and information needs. Contact us for more information!

Report Benefits

Discover how the market performed in the past (in the last 5 years) and how it will perform in the future (in the next 6 years);

Track and identify key market trends and insights on key drivers behind recent market changes;

Strategically assess the competitive position of the main market players;

Evaluate how diversified the market is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;

Assess growth potential, opportunities, demand drivers, and challenges on the market;

Quickly and cost-effectively receive a complete strategic analysis of the market;

Improve your pitches and presentations by using verified market data and expert insights;

Make important strategic decisions safely and with confidence;

Receive professional expertise on the market and everything important connected with its development;

Empower your marketing, branding, strategy, product and business development, consumption, and supply functions with valuable market insights;

Build your investment strategy by assessing market attractiveness, country attractiveness, or company attractiveness;

Evaluate the key macroeconomic indicators to get insight into the general trends within the economy and demographics;

Acquire data your competitors might already have and be acting upon.

Report Users

This market research report is ideal for people who want to gain a comprehensive understanding of the Latvian hardware and building materials market. Most often these are professionals actively working in the market as:

C-suite executives;

Directors;

Market strategists;

Marketing professionals;

Business development professionals;

Product developers;

Product marketers and strategists;

Product managers;

Project managers;

Suppliers;

Traders.

This report can also bring value to professionals, not actively involved in the market, such as:

Management consultants;
Investment managers;
Financial professionals;
Bank managers;
M&A managers;
Auditors.

EXECUTIVE SUMMARY

CHARACTERISTICS OF HARDWARE AND BUILDING MATERIALS

STATE OF THE DEMOGRAPHICS AND ECONOMY OF EUROPE

Characteristics of the demographics of Europe in 2020-2024
Characteristics of the economy of Europe
Forecast for the development of the economy of Europe in 2025-2027

HARDWARE AND BUILDING MATERIALS MARKET IN LATVIA

Value and dynamics of the hardware and building materials market in Latvia in 2020-2024
Key recent trends on the hardware and building materials market in Latvia
Competitive landscape of the market
Key drivers and restraints for the market development in the medium term

PRICES OF HARDWARE AND BUILDING MATERIALS IN LATVIA

Value chain analysis
Structure of price formation
Characteristics of the retail prices of hardware and building materials in Latvia in

2020-2024

FOREIGN TRADE OPERATIONS OF HARDWARE AND BUILDING MATERIALS IN LATVIA

Foreign trade operations of hardware and building materials in Latvia in 2020-2024

IMPORTS OF HARDWARE AND BUILDING MATERIALS TO LATVIA

Value and dynamics of the imports of hardware and building materials to Latvia in 2020-2024

Main countries importing hardware and building materials to Latvia

Average prices of the hardware and building materials imported to Latvia

EXPORTS OF HARDWARE AND BUILDING MATERIALS FROM LATVIA

Value and dynamics of the Latvian exports of hardware and building materials in 2020-2024

Main countries that receive hardware and building materials exports from Latvia

Average prices of the hardware and building materials exported from Latvia

CONSUMPTION OF HARDWARE AND BUILDING MATERIALS IN LATVIA

Value and dynamics of the per capita consumption of hardware and building materials in Latvia in 2020-2024

FORECAST FOR THE DEVELOPMENT OF THE HARDWARE AND BUILDING MATERIALS MARKET IN LATVIA IN 2025-2030

Forecast for the market development in the medium term under three possible scenarios
